Evaluation of the Economic Impact of GEM Infrastructure Projects

- ◆ A meeting with the GEM Selected Personnel was held 1st week of August at the GEM Office, Damosa. The meeting basically was about GEM's comments and recommendation on the First Draft Report
- ◆ Review of Secondary Data – a desk review has been conducted to assess/make computation of Net Present Value of each Infra Project covered by the study
- ◆ We have submitted to GEM the Second Draft Final Report on August 26, 2011

Your love has given me great joy and encouragement, because you, brother, have refreshed the hearts of the saints.
